

03.16.2023 Veterans Home Family Updates:

Dear Family and Friends of the Veterans Home at Chippewa Falls,

Unfortunately, four new team members and one contracted team member has been identified with COVID-19 since our last update. Accounting for all recent recoveries, we have 16 total cases of COVID on campus – 5 team members, 1 contracted team member and 10 members.

Visitors are still being welcomed to all households; however, please be aware of the risks of visiting during an outbreak. Masks continue to be necessary and are available at the front desk.

Please consider telephone or virtual visits if you are more comfortable with connecting from afar. Connect with the Life Enrichment Team if you would like to schedule a virtual visit.

We continue to encourage social distancing, mask use, and will continue to test members and team members frequently to quickly identify any additional cases and additionally enhance cleaning measures.

If you are not feeling well, please do not visit until you have taken a COVID-19 test and have fully recovered from your symptoms.

Thank you for your commitment to the health and safety of everyone at our Home.

Sincerely,

Katie Plendl
